SERVICES OFFERED:

Information & Referral: Offers information and guidance for senior-related issues, referrals to community agencies offering support, and connects members to Lodges, Chapters, and Concordant Bodies.

Case Management: Provides monitoring of a client's situation and care needs in order to help navigate health and financial matters and advocate for important services and benefits.

One-Time Financial Assistance: To serve as a bridge toward self-sufficiency when community resources are not available, one-time financial support may be provided. The following services are eligible for one-time financial assistance:

- ***In-Home Care***
- ***Medical Expenses***
- ***Rent & Utilities***
- ***Home Modifications***
- ***Emergency Assistance***
- ***Funeral Expenses***

Monthly Financial Assistance: To help members with continuous health and care needs, ongoing financial support may be provided. The following types of assistance are available:

- ***Retirement Community***
- ***In-Home Care***
- ***Medical Equipment & Supplies***

To receive financial assistance, a client must demonstrate a financial need through an income and expenditures analysis, which is completed with an assessment by a MasonicAid Case Manager. All other resources including Medicare, Medicaid, and personal insurance must be exhausted prior to the utilization of MasonicAid Financial Assistance. Additional information may be required to complete the application, such as a physician statement, tax returns, and other financial information.

Eligibility: To qualify for MasonicAid services, individuals must be an Oregon Mason, a wife or widow of an Oregon Mason, or a female member of the Oregon Order of Eastern Star, with five or more years in good standing prior to the application for assistance.
